

# The Outback Road Trip

Fri 20 to Tue 24 April 2018

WORLD  
CHAÎNE DAY

# Mildura - Broken Hill - Port Pirie

## First Stop

### Stefano's Restaurant - Cucina Povera - 5 Course Degustation

Cucina Povera is a term that refers to the use of simple everyday objects from a working life to make compelling art; using fresh ingredients in season to prepare simple but flavoursome dishes is also a thousand-year old, quintessentially Italian art.

The conventional belief is that the use of 'poor' ingredients to prepare delicious dishes can constitute a money-saving exercise. On the contrary the practice of 'cucina povera' is essentially an intense labour of love requiring time, patience, creativity and commitment to the freshness and integrity of the produce.

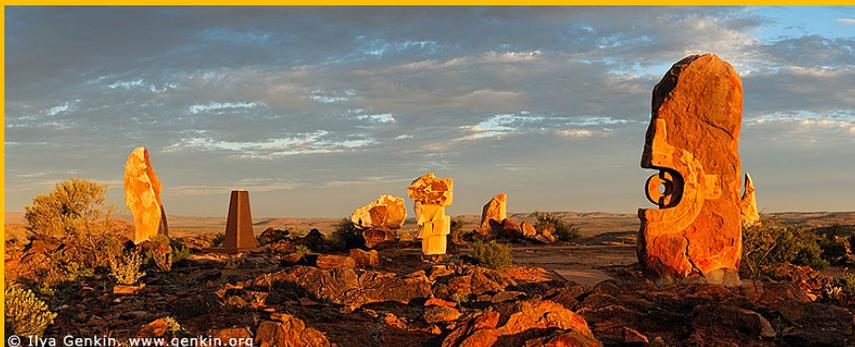

I am not interested in excess or in the use of any ingredient superfluous to achieving full flavor through the simplest means.

## Second Stop Student - Dinner

Our member Maitre Rotisseur Lee Ceechin in Broken Hill is organising a reception for us on "World Chainé Day" with some of the Indigenous students. We will be sponsoring young Indigenous people who want to study hospitality in this region. With this sponsorship we wish to encourage education of young indigenous people with initiatives and training programs aimed at health, wellbeing and employment opportunities. Equipping them with the right skills, knowledge and attributes to make a significant and positive future impact

The purpose of the WCD is to highlight the superior know-how, skills and usage of high-quality ingredients of Chaîne restaurants as well as inspire dining out in general. Additionally, the aim of the World Chaîne Day is to increase awareness of the Chaîne des Rôtisseurs itself. The World Chaîne Day also has a significant role in the mission of the Chaîne to develop the food, beverage and restaurant culture of member countries and Bailliages in cooperation with professionals, amateur food enthusiasts, members, and Chaîne restaurants as well as other interested partners.

La Chaîne des Rôtisseurs proudly assists the hospitality industry nationally and internationally by supporting the development of the talents of young chefs and sommeliers through our Jeunes Chefs Rôtisseurs and Jeunes Sommeliers competitions at State, National and International Levels.
